FAQ

Do I get to see a sample of our pass before they are printed?

Yes. Once you place your order, your representative will help you determine your overall card design (Colors, quantity, front and back design)

If we do not have your logo on file already, send a version, preferably TIF or PDF, via email, or by fax or mail if need be.

Once we have your design info and logo, we will send you a color proof of your pass(s) via email within 3-5 business days.

What is the delivery time?

5-7 days from design approval.

Once we receive approval on the design, we will immediately ship your pass(es) to be received within 5-7 business days. If you do not need your pass(s) until the summer or fall, we still want to approve your design now. We will then wait to deliver them at your convenience.

We strongly suggest starting the process now to save a spot in our expanding production line.

Do you require full payment at time of order?

No. Payment is due 15-30 days after the passes are shipped to you. You can receive 25 FREE PASSES if you prepay (payment before delivery of passes).
